

History of Walesi

- ❖ Walesi is the State-Owned Commercial Enterprise providing quality, free-to-air digital television to the people of Fiji.
- ❖ It was founded on 2 April 2015 by the Fijian Government. This is the Fijian Government initiative to provide access to digital television to every household in Fiji. The large-scale public trial phase of the new and exciting
- ❖ Walesi Digital Television Platform began on 1 August 2016, for the viewers in the Suva-Nausori Corridor, in the Central division of Fiji, who were the first in Fiji to experience Free to Air Digital Television.
- ❖ The trial phase was the official rollout of the Walesi Platform, which simultaneously occurred in the Western and Northern divisions. The trial phase assisted Walesi in resolving technical and elements issue in the nation-wide launch
